

playPOD Policy

[Updated 3/29/2024]

Registration and Time Limits:

- To manage capacity, all children must be pre-registered for playPOD at least 24 hours prior to the start of the playPOD session. There is a maximum of two children per session.
- Children are welcome in playPOD for up to 75 minutes per day. This includes 5 minutes before your class starts, to allow you to settle onto your mat, and 10 minutes after class for you to freshen up.

Purchasing Options:

- As of April 8th, 2024, playPOD sessions can be purchased as monthly memberships for \$35/per month for 4 sessions and \$60/per month for 8 sessions.
- Unused monthly sessions do not roll over at the end of each month.
- playPOD monthly memberships can be cancelled after the first month.
- Cancellation requests must be submitted electronically 7 days before your next billing cycle.
- To cancel, fill out the form at [Cancellation Form](#) and specify that you are cancelling a playPOD membership.
- Drop-in playPOD sessions will no longer be available after April 8th.
- If you have unused drop-in playPOD sessions, you can continue to use them through December 2024.

Food and Drink:

- Due to allergy concerns, no food or drinks are permitted in playPOD, except for water for all children and bottles for infants.

Noise and Care:

- If your child becomes inconsolable, we will ask you to attend to them, as their distress can be heard by others in the facility.

Bathroom Policy:

- Please ensure your child has used the restroom or has a fresh diaper before coming to playPOD. Should they require the restroom or a diaper change during their stay, we will notify you to assist your child.

Personal Items:

- Leave personal toys at home, as we provide a variety of toys for children to enjoy.

Parental Presence:

- It's crucial that you remain within Yoga Pod premises at all times while your child is in playPOD.
- Departing the facility for any reason is not permitted and is considered a dealbreaker for playPOD use.
